## **NOTICE TO OWNERS/RESIDENTS**

---

### **COVID-19 & FACE MASKS**

On November 19<sup>th</sup>, 2020, the Provincial Health Office announced new mandates requiring that masks be worn in all indoor public spaces. The PHO specifically includes Strata common areas (elevators, hallways, lobbies, etc.) as areas that are subject to the Order. Accordingly, the Strata Council strongly encourages compliance with the new PHO order and that all Residents, Guests, Visitors and others wear masks while on the interior common property.

Thank you for your cooperation.

Strata Council
