Professional Property Managers

## **NOTICE TO OWNERS/RESIDENTS**

---

### **COVID-19 & GYMS/AMENITIES**

**December 23<sup>rd</sup>, 2021**

New Provincial Health Office orders were made on December 20<sup>th</sup> and 22<sup>nd</sup> which directly impact the use of Strata amenities, especially fitness facilities which have been ordered closed in the wider community. The full Order suggests an exemption for Strata gyms, but also given the current state of the Omicron variant and case counts in the Lower Mainland, Council has agreed to close the gym and other amenities temporarily while revisiting protocols and awaiting further advice/developments. Council will continue to monitor government announcements and adjust on-site policies as appropriate.

Thank you for your understanding.  
Strata Council
